

PENTAX Medical Symposium

EBUS 2017 New Perspectives

Please join us for “EBUS 2017 – New Perspectives,” a PENTAX Medical symposium to be held during the ERS Congress 2017, in Milan, Italy. The symposium will consist of lectures from leading clinicians in the field of Endobronchial Ultrasound (EBUS) and will focus on the latest advancements in the clinical use of EBUS and the transformation of education to a standardized approach.

Chairs:

J.T. Annema (Amsterdam, Netherlands) and
Erik van der Heijden (Nijmegen, Netherlands)

- EBUS in lung cancer staging;
towards a combined EBUS-EUS-B approach?
J. T. Annema (Amsterdam, Netherlands)
- EBUS in Sarcoidosis and Cysts
R. Trisolini (Bologna, Italy)
- EBUS training & certification program -
towards a simulation based approach?
M. Kennedy (Cork, Ireland)

Date/time:

Sept 10th, 2017 • 17:30 – 19:00.

Location:

Room Orange 1 (Fiera Milano Congress Center
MiCo North, Level -1).
